

# Dress Code

*So God created man in his own image, in the image of God created he him; male and female created he them. (Genesis 1:27)*

We firmly believe that God made only two genders – male and female. We accept, adhere to and acknowledge the gender God created and has purposed for each individual. Therefore, we believe males should look like males and females should look like females. Our appearance and clothing choices should not draw undue attention to ourselves, or become a stumbling block to those in whom we come into contact. Our appearance should always reflect the glory of God our Creator. Therefore, we ask that you please refrain from wearing the following while at rehearsals:

- No low cut, see-through, bare-midriff, or tank tops, or spaghetti strap tops
- No short shorts. All shorts must come to the knee
- No undergarments should be showing
- No holey jeans
- No leggings/jeggings
- No clothing promoting rock bands, pop/rock culture, or any worldly culture  
(i.e. Peace Signs, Nazi Symbols, LGBTQ rainbows, etc.)

Guys – Hair should be short and neatly trimmed for performances  
(i.e. off the eyebrows, ears, collar)

Girls – May wear neat, clean jeans (without holes) dress slacks, capris, knee-length shorts, or skirts/dresses. Please keep modesty in mind at all times.

Please refrain from unnaturally colored hair for group pictures and all performances.
