A Note from Our Director ♫:

The holiday season is officially here! We are excited to take this time to honor and give thanks to our veterans this month, followed by celebrating the birth of Christ next month.

This newsletter is filled with important information and details about our upcoming events and performances. Please take a few moments to read through everything carefully so you don't miss any special activities or opportunities your children will be participating in.

This year's performance schedule is a little busier than usual as we celebrate an exciting milestone – 20 years of Woodridge Music Academy! We are especially thrilled to announce the release of our very first Children's Choir video! What a wonderful way to celebrate two decades of music, memories, and musical growth!

As life gets busier during this special time of year, let's remember to slow down and reflect on the true reasons we celebrate. The holidays are a time for gratitude, faith, family, and making memories together.

We are incredibly thankful for the many families who have supported Woodridge Music Academy throughout these past 20 years. Your continued trust, encouragement, and involvement have helped make our journey so special. We look forward to many more years of sharing the joy of music with your children and families!

Wishing you all a blessed and joyful holiday season!

Woodridge Music Academy would like to wish Miss Alicia a very happy birthday coming up on November 23! If you see Miss Alicia, be sure to wish her a heartfelt happy birthday!

Have a blessed Thanksgiving!

Music Video Highlights:

We recently had such a wonderful time filming our latest music video, and we couldn't be more proud of our students! We are so thankful for each student who participated, brought their talents, and gave their time and effort to make this experience so special.

We'd also like to give a heartfelt thank-you to our amazing academy parents! Thank you for bringing your children, allowing them to be part of this special opportunity, and for all of your help and support throughout the process. We are grateful to everyone who helped contribute to our soup bar. Your time, generosity, and willingness to jump in and help do not go unnoticed!

Thank-you to Devon Foster of Foster Films for his time, creativity, and expertise in bringing our vision to life! We are grateful for the opportunity to create something special together and cannot wait to share the finished project!

Last, but certainly not least, thank-you to the Gorton family for welcoming us into your church, allowing us to use your space, and helping with all of the prep, setting up, and decorating for this video. We couldn't have done it without you!
